Monthly Feature

Prayer:

1 John 5:14: God always hears

"This is the confidence we have in approaching God: that if we ask anything according to his will, he hears us."

The apostle John, one of the disciples who was closest to Jesus, shares this advice with the early church. It speaks of us having confidence when we pray that God hears us. It also brings in the principle of being close enough to God to know his will so we will be able to know when we ask for things whether they line up with God's purposes for our lives and his kingdom

FUN FACTS:

• It was in March 1889 that the Eiffel Tower was officially opened to the public. It was the tallest building in the world for 41 years before being surpassed by the Chrysler Building.

• Alexander Graham Bell made the first ever phone call on 10 March 1876. He called his assistant and said "Mr Watson, come here. I want to see you."

• It was on 29 March 1886 that Coca-Cola was developed.

• International Women's Day on March 8th each year celebrates the social, economic, and political achievements of women around the world.

• March birthstones are Aquamarine & Bloodstone

A Prayer: How's your Prayer life.

God means for your life — married or unmarried, student or employee, young or old — to run on the power of prayer. Prayer fuels the engine of your heart and mind. It's not coffee, or Chipotle, or social media buzz; it's prayer. You need God in and through prayer more than you need anything else. We will not do anything of any real and lasting value without God, which means we will not do anything of any real and lasting value without prayer.
