*Honoring Subhakar Rao & Padmaja Medidi
on their 44th Wedding Anniversary*

As you stroll along the paths, enjoy the Autumn season -- the vibrant color surrounding you, the birds migrating to their homes, and animals storing food for the colder days ahead. God Bless!

On Saturday, we are honored to welcome our young people as our speakers - Goldie Palivela, Nirup Palivela and Curtis Jagdhane (pg. 2). We are also grateful to have Thomas Daniel leading our lesson study.

Speakers:

My name is Goldie Palivela, and I am currently a student at the University of Maryland, Baltimore County. I am pursuing a double major in Biochemistry and Molecular Biology and Psychology on the pre-med track. I have a passion for science and helping others, and I hope to one day become a neurologist.

I am also actively involved in campus life and currently serve as the Vice President of both the Pre-Med Club and the Indian Student Association at UMBC. Through these leadership roles, I enjoy connecting with other students, organizing events, and helping create a welcoming and supportive community on campus.

Above all, I am passionate about growing both academically and spiritually. I believe that God has a purpose for every stage of our lives and that faith provides us with strength and guidance through every challenge.

Nirup Palivela is a sophomore at Prince George's Community College. He enjoys learning new things, playing musical instruments, sports, and singing. He is an avid admirer of nature. His passion is to serve God. Nirup feels deeply inspired to help the community as the Lord leads. He hopes to reflect Jesus' love wherever he goes.

Curtis Sachin Jagdhane is a bright and motivated 9th grader with many aspirations. He enjoys cooking and enthusiastically seeks out new Adventures.

He says, “He is still learning to understand the world around him,” and given its complexity, Curtis tries to make things simple and logical. He does all this through Jesus Christ.

Southern Asia Adventist Association members sponsored the distribution of school supplies for four schools in the North Andhra Section in June 2026. A total of 175 students from Rajanagaram, Rajamundry, Lakkavaram, and Mandapeta received these gifts.

Our hearts overflow with joy and gratitude as we see the impact on these children.
